

Declaration of Conformity

WaveCel, LLC, 7930 SW Burns Way, Wilsonville, OR 97070 is a USA-based manufacturer of helmets for industrial head protection. All WaveCel helmets are designed, manufactured, and tested in the USA to provide exceptional protection in excess of standard requirements. All WaveCel helmets are lined with a 360° dome of impact-absorbing WaveCel structure.

In addition to essential requirements for Type I helmets, the WaveCel T2+ helmet models meet Type II requirements to reduce forces from crown AND lateral impacts to the front, sides, and back of the helmet, as well as rotational forces.

WaveCel declares that its full-brim hard hat models comply with the following standards:

Model	ANSI/ISEA *	EN *
WaveCel T2+ MAX	Z89.1-2014 (R2019) TYPE II, CLASS C	EN 12492:2012 (helmet for mountaineers)
WaveCel T2+ PRO	Z89.1-2014 (R2019) TYPE II, CLASS C, G, E	Substantially equivalent to MAX version, except for the venting requirements.

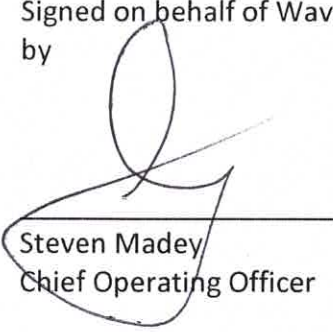

* Please inquire about clearances of specific size and color options

External verification testing, in addition to internal testing, was performed at

- **ICS Laboratories**, (1072 Industrial Parkway North, Brunswick, OH 44212, USA); A2LA accreditation certificate number 1722.01
- **COLTS Laboratories** (702 Stevens Ave., Oldsmar, FL, 34677, USA); A2LA accreditation certificate number 1612.01
- **PZT GmbH** (Bismarckstr. 264B, D-26389 Wilhelmshaven, Germany); accreditation number D-PL-12127-01.

Signed on behalf of WaveCel on Nov 17, 2022 in Wilsonville, Oregon, USA
